We will have a snack schedule. This worked very well last year and I would like to do it again this year. I will send home a monthly calendar for snack. You should only have to bring snack once a month. If you prefer to send a snack with your child every day let me know and I will not put your child's name on the list or have to supply them with a snack. Make sure to send enough for everyone in the class and try to send healthy snacks. Please let me know if your child has allergies to any foods.
